December 2018/January 2019

ADVENT is a word that derives its origin from the Latin word for "coming/arriving" and draws our focus to God's love that comes to us in the birth of Jesus. For centuries the church has built into its rhythm a time/season to spiritually prepare by creating space [in worship and in our lives] to reflect on the significance of the arrival of God's love in Christ. Our church's Sermon Series during Advent is **Advent Conspiracy**, an international movement centered on bringing a deeper meaning to Christmas during the Christian season of advent that immediately precedes it.

**ADVENT
CONSPIRACY**

The movement is characterized by its four founding principles:

Worship Fully - Spend Less - Give More - Love All

ANNUAL MEETING OF THE CONGREGATION AND CORPORATION

All members are encouraged to attend!

SUNDAY, JANUARY 27, 2019

ONE WORSHIP SERVICE AT 10:00 AM, SANCTUARY

Followed by the Annual Meeting

THE WILDE SIDE OF THINGS

Greetings!

The shift from Thanksgiving to Christmas can be an abrupt one as we enter a season where demands and activities can compete for our attention. Too often during the Thanksgiving and Christmas season we spend more time getting ready for parties, reading ads and focusing on errands than we do renewing our spirits and focusing on our faith. This advent season I want to invite you to...slow down...and breathe!

Our theme for the weeks leading up to Christmas [what the church calls Advent as we anticipate the arrival of Jesus] is rooted in a national movement called **The Advent Conspiracy**. In worship and throughout the Christmas season we will be focusing on the radical idea that the truth and reality of God's love that comes to us in Jesus is about more than decorations, eggnog and the bounty provided by a fat man in a red suit!

The Advent Conspiracy invites us to focus on and center ourselves on four core principles: to **worship fully**, to **spend less** [on meaningless things] so that we can **give more** [of ourselves to things that matter] and in the process **love all** just as Jesus did/does.

My hope and prayer is that this season – as we join together in the **Advent Conspiracy** – will afford us the opportunity to deepen our faith and reexamine what it truly means for God to love us so much that His love becomes one with us and a love for us in the person of Jesus. A radical thought perhaps...but one in need of recapturing.

On behalf of our entire staff I want to express to you the joy and the privilege of partnering with you on this journey of faith and in this ministry that we share. May God bless you and your family during this Thanksgiving and Christmas season.

Grace & Peace,

NEWS FROM STEVE

Friends,

In August and September our Outdoor Adventures Ministry continued its goal of getting folks out of their routine and into nature in order to build community, reflect on the life of faith, and experience God's creation up close and personal. Below, are two participant's reflections on our recent hiking pilgrimage on the Island of Iona in Scotland and our sea kayaking trip in Croatia.

Touching Heaven, Touching Earth

While people often claim to feel closer to God in the outdoors, not many have tried to explain why this is so. But recently the 22 of us who traveled to the remote island of Iona, off the coast of Scotland, both experienced connection with God in nature and explored how it is that God meets us there. This was a pilgrimage, not a vacation, though the setting was perfect for relaxation and leaving behind everyday concerns. Aply led by Steve and Nancy Harrington, we were immersed in the earthy spirituality of the Celtic form of Christianity.

For the Celts, every act of daily living – lighting the fire, working the soil, making clothing, sheltering from storms – was saturated with prayer. The Celts sang and prayed their way through each day. There was no separation between natural and spiritual. Iona has remained a center for experiencing Celtic Christian faith and for one week in August these 22 Americans were blessed to reorient their lives in the ancient tradition - *Richard Carter*

Paddling the Adriatic

It was a life-enriching experience to kayak the Adriatic Sea between the mainland and islands near Dubrovnik, Croatia on a Steve Harrington-led wilderness ministry trip. To spend time in nature was Holy for me. The awe of an evening sunset with hues of orange and light-blue on the horizon calmed my spirit. The rhythm of paddling through the water became therapeutic. In the kayak, it was me and the forces of nature. It was invigorating seeing shores with breath-taking waves crashing up against cathedral rock formations, entering water caves, biking and hiking to island paradise vistas, and walking on ancient walls and castle grounds.

It was also restful, peaceful and spiritual for me. The spiritual journal Pastor Steve prepared helped me reflect each day on my journey and enabled me to center myself spiritually and be mindful of what I was seeing, hearing and feeling. The Croatian kayaking journey was truly a time of adventure, rest and reflection. The experience has given me a new perspective on navigating my professional and personal journey after returning home. I am seeking more time in nature to find God and pray to rejuvenate myself. I am calmer, I have better perspective, and get my work done efficiently, so I can get back to pursuing my ministries at home, at church and in my community - *Adam McAfee*

Blessings, Steve

As we come to the close of this year our leadership is once again grateful for the many ways in which the Spirit of God is at work in and through our ministry! We continue to add small group opportunities, new mission & outreach efforts, a thriving music ministry, a growing youth ministry and more. Ministry at FPCL is flourishing and programs are expanding but with these joys come some financial challenges.

Though we expected it to be the case, we currently are facing a significant financial deficit for 2018. Giving for this year has actually been very close to what we budgeted, but with the loss of members who passed away & the economic reality of life in the Bay Area we find ourselves with a shortfall. ***Perhaps you are in a position to expand your generosity to the church and “Crown the Year” with an extra gift of love and appreciation?***

At the beginning of each year, some in our church, wanting to make sure they can faithfully fulfill their intentions, turn in an estimate of giving card that feels well within their means. If, however, you have reached the end of the year and found that God has blessed you beyond your expectations, perhaps you would consider supporting our church with an extra year-end gift. Any additional giving would make a big difference for our ministry as we move forward!

Whether you are in a position to “Crown the Year” with an additional gift or not, please know that we are so thankful that you are part of our church and so appreciative of the many ways you serve, give, and pray to accomplish God's work here at FPCL.

FROM YOUR FUNDS COMMITTEE

FOOD FOR THOUGHT

Why should you make bequests or lifetime gifts to our church?

Gifts through wills or bequests can create a permanent legacy of support for the church. The Commemorative Funds Team oversees these gifts and functions with the authority and supervision of Session (the church elders).

The purpose of endowed funds is to support First Presbyterian's broader ministry and mission programs now and in the future.

Here are a few examples:

- Enhanced youth ministry programs,
- Special mission trips,
- Expanded music ministry,
- Additional Christian education opportunities,
- Local mission programs,
- Building maintenance or capital improvements.
- In some cases, the endowment income could assure support for ongoing programs when ordinary income may fluctuate.

These are just some of the reasons to consider including First Presbyterian Church, Livermore in your will.

Would you like to know more about how you can make a positive and significant impact the lives of others well beyond your lifetime?

Come to an estate planning workshop on February 10, 2019. Look in upcoming Sunday bulletins for more information or contact the office at office@fpcl.us

REFUGEE SERVICES COMMITTEE UPDATE

The Tri-Valley Task Force, of which our Refugee Services Committee is a member, has ceased their financial support of the Weda family according to the planned schedule of self-sufficiency. The family is doing well. Fardeen has two part-time jobs and Adil is in preschool a few days per week. Fariba's English has improved markedly. Just because the financial support has ended, the ties of friendship have not and the family welcomes visits and outings. The Task Force will continue to financially assist the Shafiqi family until January, when assistance will cease according to plan. Safi has two part time jobs and is working on an application to the U.S. Postal Service, as well as saving for a vehicle. The family is considering a move to the Sacramento area, where there is a growing Afghan community, but no decision has been made yet. They welcome visits and outings as well. When all financial responsibility ends, the Task Force will be taking a step back to evaluate our process moving forward as we have experienced diminished membership and will need to take a smaller piece of the pie.

Yours in Christ, Sheri Fried, Refugee Services Committee member

IN MEMORIAM

JOHN RICHARD WORTHAM, 61, of Pleasanton, California, passed away at his home on July 5th following a short battle with cancer. Born on April 25, 1957, in Castro Valley John attended Chabot College and Cal State East Bay, and served in the United States Marine Corps for three years. He enjoyed reading, writing, singing in his church choir, playing guitar, Bible study, travel, and spending time with his family. He worked for State Compensation Insurance Fund in Pleasanton for almost 15 years. John is survived by his wife of 33 years, Lynette, and son, Ian Richard. A celebration of John's life was held on August 26th.

BILL NEEF, 89, loved to be around people, of all ages, nationalities and creeds. He always said that his most treasured ones were his wife, Gerty, his children, Jim, Steve and Janet and his grandchildren and their families. Bill was a Rotarian, involved with the church, participated in international delegations, and made such a positive impact on so many. That big booming voice served him well, not only as a bass in the church choir, but as the "Voice of the Cowboys" for the Livermore High School football team, and especially as a teacher/lecturer. Bill enjoyed young people and felt strongly about education. He provided many scholarships. His own education prepared him for 36 years of contributions toward the progress achieved at LLNL. It also enabled him to converse intelligently about a wide variety of subjects, from jet engines to fusion power to international financial markets to baseball to wine. That paired with his outgoing personality connected him with so many people. A celebration of Bill's life was held on October 24th.
