End of Year Giving

Like many of you, our church continues to find itself in economic uncertainty. Our current finances indicate that we are in a stable position to end the year well even as we head into 2021 unclear as to how this on-going pandemic will affect the finances of our church. **If you find that you are in a position to make an additional gift to the church [either money, a distribution from an IRA or gifts of stock] it will help our church tremendously as we further and strengthen our ministry and head into 2021 ~ a year where we will celebrate FPCL's 150th anniversary!**

Office Closure

The office will be closed Friday, December 25th - through January 1st, 2021. Office hours will resume Monday, January 4th, 2021. Phone and email messages will still be checked throughout the week of closure and we will communicate as the need arises.

Christmas Blessings to you and your family!
