Community Outreach Update

Your Generosity at Work! Over the last few weeks our church (through our COVID relief fund) has supported local schools by providing **headsets, lap-desks, wobble chairs and privacy shields** for students. These supplies are allowing school administrators to have the flexibility to respond to the needs of students quickly and in real time. Our church has also been able to financially support several families in our local community struggling during this time of economic uncertainty. Thank you for your on-going generosity!

Christmas Giving Tree Program

FPCL has partnered with Tri-Valley Haven's Holiday program for many years which helps meet the needs of families during the Christmas season. This year, due to COVID-19 and restrictions, Tri-Valley Haven has transformed their procedures and is asking for donations of **cash or gift cards** so they can safely serve thousands of individuals who are in great economic need.

Now, more than ever, this holiday program is essential and with FPCL's donations all households will receive pre-bagged food, a Safeway card or a turkey, and a Walmart or Target card.

You can mail or drop off a check at the church office made out to FPCL with "Giving Tree" on the memo line. If you prefer, you can drop off Safeway, Target, or Walmart gift cards.

Donations need to be received in the church office by Monday, December 7th

Christmas Poinsettias - a little different this year!

To brighten up our online worship experience during Advent, FPCL Worship, Hospitality and the Connections Teams **are providing the poinsettias in the Sanctuary this year**, in celebration of all of you who are connected with us and also in memory of family and friends near and far. You don't have to do a thing; just enjoy the beautifully decorated area and Advent services.
