Great news the BackPack Project is back!!!!

At the schools request to have as little human contact as possible with the backpacks our supplier has agreed to stuff the supplies into the packs this year for us!!! All FPCL has to do is donate \$\$\$.

Our supplier will also deliver the backpacks to the major schools participating and the Interfaith Backpack Project will deliver to the other schools.

The Livermore schools will deliver the backpacks to the students based on their recommendation/need.

Students will be identified as possible need based on the lunch program list and an Interfaith Project volunteer will verify that approval with a parent or care giver as done in years prior.

Cost per backpack remains at \$50.

Donations for this service project are welcome through the end of August.

Three Ways to Donate:

- 1. Checks can be made out to FPCL with 'backpack project' in the memo line**
- 2. Online via PayPal**
- 3. Text FPCL Give to 44321 and include 'backpack project' in description**
